Can Bernat – A modern Ibiza finca styled property

This hillside Ibiza finca has been newly built in summer 08 and is surrounded by a large terrace, a tropical garden and a stunning infinity pool with sea views in the distance. The villa has a secure private gated entrance, walled perimeter and is built on over 50,000 metres of private terrain.

The owner is a local Ibiza from the St Jose area who has finished this property with absolute quality and no expense spared. Mixing traditional furnishings and finishes, such as the old Sabina wooden beams with teak four poster beds from Indonesia offer the style you would expect in a typical rural Hotel in Ibiza.

The outdoor terrace which shapes around the front of the Villa has plenty of sun cover and an outdoor dining table and chairs for 12 guests. In the magnificent garden the owners have shipped a large Balinese day bed with cushions. Around the pool are sun loungers for all the guests overlooking the infinity pool and sea in the distance. Less than 5 minutes from the villa are some great beaches, Cala D'hort, Cala Carbo and Cala Vedella.
