## Chalet Le Marti – Sleeps 16 – 20 guests in 8 bedrooms

Welcome to the quaint alpine village of Argentière at the head of the Chamonix valley, home to the world famous Grands Montets and our a luxury boutique styled Chalet Le Marti.

Experience the services of our professional team to make your holiday truly memorable. After a challenging day on the slopes, you may wish to book an in-house massage to ease away any aches and pains before the evening begins. Then enjoy the delights of having a private chef to prepare delicious food for you, accompanied by wines from our own cellar. Following dinner, allow your personal chauffeur to whisk you to the night hot spot of your choice, or simply relax with a drink in front of the fire and enjoy the home entertainment system. If you are holidaying with your family, we can arrange children's ski lessons and childcare services are also available.

### Argentière Village

Argentière is at the top end of the Chamonix Valley. It is a small alpine village providing some of the most famous skiing in the world with the Les Grands Montets. There is very good beginner and intermediate skiing in the neighbouring village of Le Tour and in the rest of Chamonix. Argentière is not just for expert skiers as some would think - sit back in front of a log fire with your latest novel, take alpine walks, cross country ski or enjoy a massage in your chalet or at the village spa.
